

Operation Christmas Child 2020

This years Operation Christmas Child shoebox appeal will commence on Saturday 10th October and run through until Sunday 8th November, with the flat packed boxes and information available after each mass.

Because of the current situation it is clear that this year's appeal is going to be a challenge, but your support for these children is needed more than ever, so as always please do what you can and also help to spread the word to those unable to attend mass at present.

As in previous years for those who would rather not build their own shoebox but would still like to participate, then all donations will be gratefully received and I will build the box for you.

Last year we sent 243 filled boxes to the Tonbridge distribution point and these contributed to a UK total which was just short of 400,000 and the worldwide total stood at 10.5 million boxes. The boxes from our Kent location were delivered to Liberia, Belarus, Ukraine, Moldova, Albania and Central Asia.

Thank you as always for your support, especially in these difficult times.
